NATURAL RESOURCES

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Soil Aquifer Treatment (SAT) Project in Fiscal Year 2027.

The entity to receive funding for this project is the City of Goodyear located at the 1900 N Civic Sq, Goodyear, AZ 85395.

The funding would be used to support pipe expansion and site construction for a Soil Aquifer Treatment (SAT) site to increase recharge capacity to serve the needs of municipal water users. This project is an appropriate use of taxpayer funds because it enhances the City of Goodyear's ability to serve their residents with augmented supplies of clean water when it is once again extracted, while responsibly addressing the Active Management Area for over drafting groundwater.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Adelita S. Grijalva".
