Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$2,852,661 in funding for the West Frontage Road and Peck Canyon Roundabout Enhancements Project in Fiscal Year 2027. The entity to receive funding for this project is Santa Cruz County, Arizona, located at 2150 North Congress Drive, Nogales, AZ 85621.

The funding would be used for the design and construction of a permanent roundabout at the intersection of Peck Canyon Road and the I-19 West Frontage Road in Rio Rico, Arizona. The project will replace an existing temporary mini-roundabout with a full roundabout designed to improve safety, reduce congestion, and accommodate heavy vehicle traffic.

The project is an appropriate use of taxpayer funds because it will reduce traffic-related safety risks associated with congestion and queueing near the I-19 interchange, improve traffic flow along a critical community corridor, and support access to key destinations including schools, medical facilities, and local businesses. The project also serves a community designated as an Area of Persistent Poverty and a Historically Disadvantaged Community, and will enhance mobility and economic activity in the region.

The project has a federal nexus because the funding provided is for purposes authorized in 23 U.S.C. § 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Adelita S. Grijalva".
