

LAND AND WATER CONSERVATION FUND GRANT AWARD ANNOUNCEMENT

To: Senator Kyrsten Sinema
Senator Mark Kelly
Representative Raúl Grijalva

The National Park Service is pleased to provide you with the following information on a Land and Water Conservation Fund grant award that is ready for public release.

The LWCF State & Local Assistance Program provides matching grants for local and state park projects outside national park boundaries. LWCF grants are locally determined and competed at the state level through a process designed and managed by our state partners. These grants help build and protect a "seamless system of parks" from back-yard to back-country.

Since 1965, the National Park Service has provided more than 40,000 LWCF grants to states and local communities. LWCF funding is separate from NPS operational appropriations, and comes primarily from off-shore oil lease revenue through annual congressional appropriation.

Date of Award: 07/11/2023

Grant No: P23AP01339

Amount of Grant Award: \$958,419.00

Total Project Cost: \$1,916,841.00

Project Title: Joaquin Murietta Splashpad

Project Sponsor and Address: City of Tucson, 900 S. Randolph Way, Tucson AZ

Scope of the Grant:

TOWN OF TUCSON, through **ARIZONA DEPARTMENT OF PARKS**, will construct a splashpad. Project includes shade structures, safety fencing, amenities and an equipment building storage area supporting the operation and maintenance of the recreation resource.

For further information, please contact:

Name of Staff Contact: Brandon Seitz
National Park Service Office: Midwest Regional Office
Telephone No: 402-661-1605 601 Riverfront Drive
Email: brandon_seitz@nps.gov Omaha, NE 68102

The Land and Water Conservation Fund grants-in-aid program provides matching grants to States and through States to local units of government for the acquisition and development of public outdoor recreation areas and facilities.
